

2023 ROCHESTER TOP 100 AWARD RECOGNITION – SCJ ASSOCIATES

Rochester has always been known as a region of innovation spurred by a strong entrepreneurial spirit. The annual Greater **Rochester Chamber Top 100** list celebrates the fastest-growing, privately owned companies in the Greater Rochester region. Greater Rochester Chamber of Commerce accounting partner KPMG LLP determines **Top 100** rankings based upon dollar and percentage revenue growth over a three-year period, which allows companies large and small to compete on a level playing field. All revenue information received is kept in the strictest of confidence and is not made public.

SCJ Associates is pleased to announce we were again selected as a **Rochester Top 100 Company**, landing at #46 for 2023. SCJ has also received this award in 2005, 2013, 2019 and 2020. It is a great honor for our company. We recognize our employees and partners for their hard work and dedication and our customers for their confidence and longevity in support of programs!

SCJ Associates, Inc. is a full-service engineering and manufacturing company incorporated in the state of New York in 1971. The primary business of the company is providing Electronics Manufacturing Services (EMS) to Original Equipment Manufacturers (OEMs).
